

## OVERVIEW

Marc Marra is a Partner at Kelley Kronenberg focusing on the firm's mortgage foreclosure & default services practice. With over ten years of experience, his practice focuses on assisting banks, lenders, mortgagees, and financial service providers with enforcing their rights in security instruments on real property. He protects, enforces, and litigates his clients' rights in security instruments on real estate.

Marc is the founder of Heart Warriors, Inc., a non-profit corporation which supports children with Hypoplastic Left Heart Syndrome (HLHS) and other congenital heart diseases, and their families.
