

Community Service

Community service has been at the core of Kelley Kronenberg's values since the firm's inception over 40 years ago. Our belief is that giving to our respective communities and helping others are fundamental obligations. Recognizing the importance of our relationship to the communities in which we do business, the firm implemented *Kelley Kronenberg Cares*. KK Cares is a community involvement program that provides our attorneys, staff and their families with opportunities to join forces and work together to benefit charitable organizations and organizations of all types that support and benefit our local communities. At Kelley Kronenberg, we believe that it is our responsibility to do - interact, contribute, engage and contribute positively to make a difference for others and for future generations. *Kelley Kronenberg Cares* underscores our commitment to shaping the communities in which we live and work throughout Florida and in the U.S. KK Cares and firm wide philanthropic efforts focus on the causes we feel are vital to the health and well-being of children, individual needs and rights, families, and our communities, and society at large. Through *Kelley Kronenberg Cares*, it is our goal to be exemplary corporate citizens, promote positive changes, and to inspire others to support philanthropy, become involved and engaged in an effort to achieve long-lasting and far-reaching results for the benefit of others. Kelley Kronenberg supports a wide range of community, charitable, business and legal organizations. The attorneys, staff, and administration at Kelley Kronenberg are committed to serving their communities.
