

Kelley Kronenberg Sponsors 29th Annual Huntington's Disease Triathlon

Kelley Kronenberg is proud to sponsor the [29th Annual Huntington's Disease Triathlon/Duathlon/Aquabike](#). The triathlon will take place on Sunday, February 23 at Larry and Penny Thompson Park in Miami, FL. 2020 marks the 29th Anniversary of the Huntington's Disease Triathlon. The Huntington Disease Triathlon is one of the few races in the world which is operated by a not-for-profit organization. The event is organized solely by volunteers and all net proceeds from the race support research aimed at treating and curing Huntington's disease. Kelley Kronenberg is proud to promote running and walking as a means to a fit and healthy lifestyle for all employees. In addition, we believe it adds value by improving employee health and morale. We feel that a healthy employee makes for a healthy firm. There is still time to participate and/or donate - [click here](#). See you there!
