

## COVID-19

COVID-19, the disease caused by the novel coronavirus, continues to become a highly visible and serious concern for our country and the world. The changes are rapid and on all levels. With that comes a multitude of unique business and legal challenges across practically every discipline of our economy. Your business is important to you, therefore, it's important to us. Kelley Kronenberg's top priority remains the health, safety, and well-being of our employees, their families, communities and largely, the success of your business.
