Since it was first published in 1983, Best Lawyers® has become universally regarded as the definitive guide to legal excellence. Best Lawyers lists are compiled based on an exhaustive peer-review evaluation. Almost 108,000 industry leading lawyers are eligible to vote (from around the world), and we have received over 13 million evaluations on the legal abilities of other lawyers based on their specific practice areas around the world. For the 2021 Edition of The Best Lawyers in America®, 9.4 million votes were analyzed, which resulted in more than 67,000 leading lawyers being included in the new edition. Lawyers are not required or allowed to pay a fee to be listed; therefore, inclusion in Best Lawyers is considered a singular honor.
