

Kelley Kronenberg Goes Live with CaseAware Case Management System to Provide Necessary Flexibility, Scalability and Compliance

[Kelley Kronenberg](#) and [a360inc](#) announced a technology partnership that will see Kelley Kronenberg's growing real estate practice adopt the industry's leading case management platform, CaseAware, a product of a360inc. Upon completion of the firm's transition to the platform, Kelley Kronenberg will take advantage of multiple integrations with plans to integrate several more over the coming months. CaseAware and its integrations allows the firm to continue to streamline the practice area's processes and provide more efficient and compliant service to their clients.

"We're excited that Kelley Kronenberg chose CaseAware as the technology platform to assist in the growth and expansion of their real estate practice area," said a360inc COO Jan Duke, "virtualization, integration and automation tools will help our industry effectively adapt to the future. We're looking forward working with Kelley Kronenberg to help them adopt the necessary technology to adapt."

"Kelley Kronenberg is thrilled to take the next step for our mortgage clients by implementing the Case Aware management system and all of its features. This will allow us to have the most cutting-edge technologies for automation, integration and reporting to ensure all of our clients receive the highest quality representation," said [Jason Vanslette](#), Partner Kelley Kronenberg. "Case Aware is not only an investment for our clients, but also an investment for security and regulatory compliance to ensure our firm continues to be a leader in our industry."

a360inc acquired CaseAware in 2017 and has since made major significant investments in the product with an entirely new user interface, new integration partners, practice modules, and other process efficiencies and improvements. Other a360inc technology products include mortgage servicing platforms VendorScope, iClear, CMAX, and other technology and processing products CourtXpress, POCPro, and iClearTitle.
