

## ***Kelley Kronenberg Selected Amongst the “Coolest Offices” by the South Florida Business Journal in 2020***

---

Kelley Kronenberg is pleased to announce it has been ranked #9 in the [South Florida Business Journal's Coolest Office Competition](#). The South Florida Business Journal staff pored over hundreds of photo submissions to narrow down the Top 10 local firms facing off to be South Florida's 2020 winner of the Coolest Offices contest.

In 2019, Kelley Kronenberg built a 35,000 square-foot office building in Fort Lauderdale in Broward County. The new structure emphasizes an inspiring workspace thoughtfully curated to foster collaboration and client convenience. The facility features private office suites, as well as collaborative workstations, in a space with distinctive architecture and progressive design elements. The lobby boasts an architectural staircase that leads to a glass-panel balcony. There are two large conference areas that can transform into one great room for events, significant co-working common spaces, or smaller spaces to gather for informal brainstorming sessions in a relaxed atmosphere, as well as a dedicated education center for employee training.

The first floor also includes a mock courtroom, equipped with cameras and monitors that enable clients to participate in trial preparation remotely if they are not available to visit in person.

Perhaps most impressive, the building features a rooftop terrace that incorporates landscaping, canopy-covered kitchen, and bathrooms. The rooftop provides an open-air venue for Kelley Kronenberg employees to gather, eat and conduct meetings, as well as host client and firm events.

Another popular addition for the firm's staff includes an employee café, complete with large TVs and modern, casual seating to serve as a common area for employees to take a break and share lunch with their co-workers.
