---

As part of the firm's Kelley Kronenberg Cares (KKC) holiday initiative, the firm is proud to support the [SOS Children's Villages of Florida](#) to help bring the magic of the holiday season to underprivileged kids in the community. This year, their need is greater than ever. The pandemic has provided a sense of uncertainty to many, throughout the world and has changed the way people live. SOS Children's Villages – Florida is a foster care neighborhood in the heart of Coconut Creek, Florida. On any given day their 12 houses are a home to an average of 72 boys and girls between the ages of 1 – 18. Each child has been removed from their home and family for abuse or neglect or has been abandoned. SOS Children's Villages - Florida promises every foster child a place of Healing, Hope and Home.

KKC was created to provide opportunities for the firm's attorneys and staff to personally commit to civic and charitable efforts in the cities where the firm's offices are located. In addition to the firm's regular philanthropic work, previous KKC projects have included a statewide school supplies drive for students, a thanksgiving harvest drive, as well as food drives and clothing donations.
