

## ***Kelley Kronenberg employees team up for Mercedes-Benz Corporate Run***

---

Despite storm clouds and heavy rainfall, a team of 44 Kelley Kronenberg attorneys and staff members came together Thursday, April 4 for the 2013 Mercedes-Benz Corporate Run 5K in Fort Lauderdale. The race is a local tradition for many South Florida companies, with proceeds benefiting the United Way organizations of South Florida. The firm had teams of runners and walkers competing in the 3.1 mile event. This is just one of several community events and charity runs that the firm and its employees support.
