

Kelley Kronenberg to Sponsor the 2015 Florida Bar Workers' Compensation Forum

Kelley Kronenberg will proudly participate and serve as an exclusive law firm sponsor of the 2015 Florida Bar Workers' Compensation Forum. This year's forum takes place April 9 & 10 at the Omni Orlando Resort in ChampionsGate, FL. This year, the forum will feature the latest in legal, claims, medical, and vocational topics, all of which center around the Florida Bar's traditional Workers' Compensation Board Certification Review Course. The Annual Florida Bar Workers' Compensation Forum is a must attend conference for the Florida practitioner, claims professional, supervisor, manager, risk manager and executive interested in advancing their depth of knowledge and understanding of the Florida workers' compensation litigation environment. This full slate of advanced programming will be delivered across two educational tracks that are attended by members of the Florida Bar, board certified workers' compensation adjusters seeking to earn or maintain their advanced board certification, and other members of Florida's workers' compensation claims, medical, and vocational community. This is a tremendous opportunity to meet and mingle with some of the most elite Workers' Compensation professionals that Florida has to offer, from technicians to decision-makers. See you there!
