

Kelley Kronenberg's Mediation Practice Group is made up of attorneys who are Florida Supreme Court certified to mediate throughout the State of Florida. We offer circuit court and county court mediation services where the parties can meet at our offices throughout Florida or via remote and virtual mediation. Our attorneys have taken their experience across a variety of practice areas to help parties find a resolution to their disputes as neutrals and facilitators.

Our mediators are both court-appointed throughout Florida and requested directly by parties. We respect the role of the mediator to encourage and facilitate the resolution of a dispute while letting the parties serve as the decision-makers. Our experienced mediators assist the parties in identifying issues, fostering joint problem solving, and exploring settlement alternatives.
