

Kelley Kronenberg's Multinational Client Practice Group was developed to cater to the increasing presence of international companies in the southeastern region of the United States, especially in Florida. Our Multinational Client Practice Group works with foreign companies establishing and maintaining a presence in the United States or otherwise subject to U.S. laws. Moreover, our Attorneys assist both domestic and international clients pursuing business and personal interests in the U.S.

Our Multinational Client Practice Group Attorneys routinely assists international clients with legal matters involving Immigration, Business and Real Estate Transactions, Commercial Litigation, General Liability, and Employment Law issues in the United States. Our Attorneys are multilingual, internationally experienced, and culturally sensitive to the unique issues facing our multinational businesses and clients in the United States.

Our international client base, like our practice, is extremely diverse. Kelley Kronenberg's Multinational Client Practice Group integrates the services of attorneys from several of our practice areas, creating a solid legal foundation for international clients that are looking to conduct business in the Florida market or seek help with their immigration or legal matters.
